Full job description

Your new company

Our client is a Sydney based small residential company. They specialize in modern design houses and always aim to deliver the results. They pride themselves in working with the highest quality materials and the latest tools. Always expanding their reach, they are now focusing on their projects in the Northern suburbs.

Your new role

You will be part of a qualified and skilled team who always strive to deliver the best results. You will be interpreting plans and drawings, fitting and installing door and window frames, laying floorboards and roof framing. You will also have to install skirting. To be successful attention to detail will be critical.

What you'll need to succeed

To be successful in the role you will need to have a certificate 3 in carpentry or equivalent, your white card, working at heights, PPE, experience in listed duties, references from similar position and your own vehicle and tools.

What you'll get in return

This is a great opportunity to work with a small residential that is adamant on quality and results. Work with qualified people and the best materials. You will get above award Payrates, overtime and all allowances. The company is expanding in the Northern suburbs so the right candidate will be offered on going work.
