Full job description

Your new company

Your new company is based in Brisbane's Southside and is a leader in their field. They are looking for a Production Team Leader to join their team on a permanent basis to control the day to day production operation of the business.

Your new role

Your role will see you overseeing the following but not limited to;

- Assist with the planning, organising and implementing of production schedules in consultation with the General Manager
- Supervise and co-ordinate a small team of Production Assemblers
- Replace 2ic to General Manager whilst off site/ absent eg client meetings or annual leave
- Manage and implement WH&S Policies and Procedures
- Assist with the production components and assembling parts to meet customer productions and specifications
- Be accountable for the day to day production and warehouse operation performance, including inbound and outbound deliveries
- Conduct site inductions

What you'll need to succeed

To be successful in this role, you will have:

- A positive attitude towards health and safety,
- High attention to detail and a proactive nature
- Exceptional communication skills
- Hand power tool experience is advantageous
- Enthusiastic attitude
- Ability to work alone and in team environment
- Team leading experience

- Experience in manufacturing environment

What you'll get in return

In return, is the opportunity for training and development of your skills in a friendly environment. This is a permanent position in a growing company that has a positive and inclusive working culture.
