Full job description

Your new company

This multinational leads the construction market and has been around for over 65 years. They are involved in the biggest infrastructure and property projects both locally and internationally. For their latest project in Hurstville they are looking for an experienced and motivated carpenter.

Your new role

You will be part of a large and busy company in a fast-paced environment, where you will be pivotal in delivering the project on time. Working in all aspects of first and second fix, architraves and skirting, ceiling installation and the installation of partition walls.

What you'll need to succeed

To be successful in the role you will need to have a certificate 3 in carpentry or equivalent, your white card, experience in listed duties references from similar position and your own tools.

What you'll get in return

This is a great opportunity to work with a leading multinational that is adamant on safety and results. Work with the most qualified people and expand your network. You will get above award pay rate, overtime and all allowances. The company has project all over Sydney so the right candidate will be offered on going work.
