### Full job description

#### Your new company

With over 30 years' experience in the shop-fitting and joinery industry this award-winning organisation knows the exact meaning of growth. Their dedication and high achievements make them an industry leading company which believes in placing pride in end to end projects from designing, to installation and finally project management. Join this company as they reach their highest potentials.

#### Your new role

Our client is seeking an experienced Shop-fitting estimator with an extensive knowledge of materials in the industry. Some day to day tasks are listed below:

- Prepare estimations and calculate costs necessary for labour, material and time constraints through blueprints and specifications
- Ensure clients are updated on progress and any disputes are addressed and resolved
- Address cost discrepancies and necessary variations
- Work alongside and assist a senior estimator
- Explain the use of different materials and substitutes where necessary

#### What you'll need to succeed

To be considered for this role, it is expected that your skills and experience align with the below criteria for the role:

- A minimum of 2 years' experience with estimation within Shop-fitting and/or Joinery
- Experience using Buildsoft Estimation software
- Extensive knowledge of a range of materials
- Strong knowledge of Excel

#### **What you'll get in return**

Should you be successful in obtaining the role, you can expect to receive the following benefits:

- Opportunities for growth
- Chance to work for a leading company within the industry
- Negotiable salary
- Onsite parking
- Social events and gatherings
- Annual Christmas party
- Confirmed work and more to come in the pipeline
- Work for a company where employees stay for over 10 years as they progress up the ladder
- A warm and welcoming work environment
