Full job description

Your new company

Sydney Based Shop Fit-out company with vast pipelines of NSW projects, specialise in the design and build of Retail, Hospitality and Pharmaceutical projects across NSW. Priding themselves on their modern production warehouse where they start the planning of each job they complete on a client bespoke basis.

Your new role

Working as a qualified Carpenter or Shopfitter, you will be leading a crew of 1-2 staff depending on project size. With projects across NSW you will be willing to travel, and in some cases stay for a prolonged period of time at the location, where accommodation and food will be paid for.

You will assist with planning and delivering each project to a high spec detailed finish, and ensure that budgets and timelines are met. As a leading hand you will be responsible for reading plans, detailed joinery and carpentry and be able to give direction to the wider team.

What you'll need to succeed

You will be a qualified Carpenter, Joiner or Shopfitter and have experience working as a leading hand where you have been able to run teams effectively. Having your own tools is essential for this role, however a Ute can be supplied if required.

What you'll get in return

This is a permanent role within company with an excellent name in the market. You will be paid inline with their own EBA, and will be rewarded with all over time benefits and a generous salary.
